**Mr. I. N. Menon.**—About an year ago.

**Mr. A. Sivarama Menon.**—May I respectfully point out that the whole difficulty arises because the Government have not in possession anything to show that they have paid the rent. If they can positively say that the rent has been paid, then there is an end of the matter.

**Mr. I. N. Menon.**—The difficulty is that the receipts are all destroyed. If such questions are raised after ten or 12 years it will be difficult to say anything by way of reply. Subsequent claims have been made by the owner and they have been satisfied, which proves that the earlier ones have been satisfied.

## Public meeting of the people of Kadamakudi—resolutions passed.

228. **Mr. K. T. Mathew.**—Will the Government be pleased to state with reference to answer to the question No. 123 (d), dated 3rd August 1934, whether the consideration of the matter is over; and if so, what is the result of the consideration?

**Rama Varmha Tampuran.**—The matter is still under the consideration of the Government.

## Hospital requisites—supply of.

229. **Mr. P. Krishna Menon.**—Will the Government be pleased to state:—

(a) whether most, if not all, the medical institutions in the State have recently been supplied with crow-bars or pick-axes;

(b) did any institutions requisition these; if so, which institution or institutions; and when;

(c) were any instruction issued with the issue of these instruments;

(d) are they new ones made recently?

**Dr. D. Raghavendra Rao.**—(a) In April 1934 all the medical institutions in the State were supplied with a hammer and a box-opener (crow-bar) each.

(b) During my tour there were verbal requests from some of the institutions.

(c) No. These are not instruments.

(d) They were made early in 1934.
